

# IMPROVE BLOOM SET

Westbridge programs are designed to yield high-quality crops and high economic returns. This unique blend of products helps improve nutrient and water uptake which lead to better bloom and fruit set.

Westbridge's bloom application consists of the following four products:

- Organic TRIGRR® - 1/2 quart per acre
- Organic BioLink® Cal Plus - 1 quart per acre
- Organic BioLink® Micronutrient Fertilizer - 1 quart per acre
- Organic BioLink® 3-3-3 Fertilizer - 1 quart per acre

ORGANIC  
**TRIGRR**®  
Auxiliary Soil and Plant Substance

ORGANIC  
**BIOLINK**®

For more information, contact your local PCA or Westbridge's Sales Representative: (800) 876-2767.

Always use these products as part of a complete fertility program.
